5<sup>th</sup> Annual CME of Dr. Athavale Foundation  
& Pediatric Alumni, LTMGH

# DAFPAL

# CME 2016

**Practical Pediatric Endocrinology  
– Understanding Hormones**

**27<sup>th</sup> November 2016**

**New Auditorium, Lokmanya Tilak Municipal  
Medical College and General Hospital,  
Sion, Mumbai 400022.**

**Organized by:**

**Dr. Athavale Foundation &  
Pediatric Alumni, LTMGH**

## Invitation

Dear Fellow Pediatricians,

Dr. Athavale Foundation & Pediatric Alumni, LTMGH every year organizes a CME on a focused topic relevant to the primary care pediatricians. This year's theme is "**Practical Pediatric Endocrinology – Understanding Hormones**" This theme has been chosen keeping in mind the day to day endocrine issues encountered in office practice.

The highlights of the programme include a holistic approach to juvenile diabetes, the rising epidemic of childhood obesity, newborn screening for hypothyroidism and problems of sexual differentiation.

Speakers of national and international repute would be sharing their experiences on these subjects. Besides the academics, this would also be a forum for all to enjoy the nostalgia of meeting past teachers, colleagues and friends.

We welcome you all to join us both in learning and fun through this **5<sup>th</sup> Annual DAFPAL CME 2016**.

**Organizing Committee DAFPAL 2016**
