

Invitation

Dear Colleagues,

It gives us a great pleasure to inform you that we are hosting the 3rd Annual CME of Dr. Athavale Foundation & Pediatric Alumni LTMGH on 5th October, 2014, at New Auditorium, Lokmanya Tilak Municipal Medical College and Hospital, Sion, Mumbai. The theme of the CME is 'Immunodeficiency Disorders in Children – An Unexplored Arena'.

Immunodeficiency disorders are uncommon, and are therefore an unexplored arena. However, they are not as rare as thought to be. "The eye sees only what the mind is prepared to comprehend." Therefore, let us all equip ourselves with the knowledge & also learn to tackle them efficiently. This CME will sensitize every pediatrician towards immunodeficiency disorders. The program is full of informative lectures; intellectual case discussions & dialogues.

We are sure you will enjoy this academic feast. So what are you waiting for? Hurry & fill up the attached registration form & send it across to us (along with cheque of course!) & give us the opportunity to serve you.

Eager to meet you all at the CME!

Dr. Alka Jadhav

Organizing Chairperson

Dr. Yashwant Gabhale &

Dr. Jitendra Gavhane

Organizing Secretaries
